

VISION STATEMENT

We, the Body of Christ, lead and inspire all to grow in holiness by saying, “Yes” to God. Commit with us to amazing liturgies and ministries, strong Catholic education, charitable outreach and enthusiastic financial support as our thankful response to God’s love.

Together we will build a stronger community of Faith by putting God first, transforming our hearts, embracing the truths of the faith, recruiting capable lay leaders, responding to the needs of the community, trusting in the church and increasing community participation.
