

Your sharing is a participation in the life of Jesus, who gave himself completely out of love for us. When you give in a spirit of humble self-sacrifice, you follow Jesus as his disciple. A common parish offertory giving benchmark is 5% of your income, with your tithe's other 5% designated by you for other ministry and charity, such as APA, school giving, aid to the poor and special capital projects. **Please consider the Monthly Share Guide to the right and complete the information below. Your participation is very much needed and appreciated!!**
